RE: Billing changes

We want to thank you for trusting us to care for you and your family. We are humbled by the support our close-knit community shows and it has never been illustrated so clearly as it has been for during the past year of the COVID-19 pandemic.

The pandemic affected us as well and as we continue to recover and look to the future, we wanted to make you aware of some important changes happening.

We have experienced some extenuating circumstances affecting our existing billing department. In addition to the increased administrative requirements of working with insurance companies, we have been forced to outsource this component. We will be working with Fast Revenue Medical Billing. They have been supporting health care practices across Colorado and work with providers across the nation for many years and have a proven record for working with health care providers, insurance companies, and most importantly, patients, to navigate the complexity of our health care's billing system.

Fast Revenue Medical Billing will become your primary resource for remitting payment to as well as answering all questions related to your balance. They have close working relationships with insurance carriers and will be able to better assist you with questions related to how your insurance benefits were applied. Our office will continue to be available to accept payments also. The contact information for Fast Revenue Medical Billing is:

Fast Revenue Medical Billing, LLC
10200 E. Girard Ave., Bldg C, Ste. 245
Denver, CO 80213
www.fastrevenuebilling.com
(Email) fastrevenuebilling@gmail.com
(Office) 303-993-2629

As we are tackling the clean-up of accounts with balances still outstanding from 2020 or earlier, we are discovering account delinquencies and Fast Revenue Medical Billing will be assisting us in getting these resolved. If you are unsure whether you have a balance, please contact us to inquire either by email at gvfpcb@gmail.com or calling our Billing Office at (970) 641-2241 to resolve any balance due or to make payment arrangements.

We look forward to caring for you and your family for years to come.

Sincerely,

Jay McMurren, MD
Lauretta Garren, MD
Laura Villanueva, MD
Eric Thorson, MD
Megan Tucker, DO
